SYSTEMSECOND DECLARATION OF ROBERT DAVID POSSEE, PH.D.
UNDER 37 C.F.R. §1.132

I, Robert David Possee, currently residing at 64 Millwood End, Long Hanborough, Witney, Oxon, OX298BY UK, do hereby declare:

1. I am an expert in the field of the invention. I am currently a researcher at NERC CEH Oxford (formerly Institute of Virology and Environmental Microbiology/Institute of Virology). I am a named inventor of U.S. Patent Application 09/807,809 (hereinafter referred to as "the present application"), entitled "Baculovirus Expression System." I am familiar with the application and the Final Office Action mailed by the United States Patent and Trademark Office on April 19, 2005 (hereinafter referred to as "the Final Office Action"). I earned a B.Sc. degree in Biological Sciences with Honours in 1978 at the University of Birmingham, U.K. I earned a Ph.D. degree in virology in 1981 at the University of Warwick, U.K. My *curriculum vitae* is on record in the present application. I have published over one hundred papers and books in the field of biology. The list of the publications are on record in the present application. I am a co-author, with Linda King, who is a named inventor of the U.S. Patent Application Serial No. 09/807,809, of a text book on baculovirus expression systems entitled "*The Baculovirus Expression System: a Laboratory Guide*" (1992), first ed., Chapman and Hall Publishers, London, UK (hereinafter referred to as "my text book"), which was submitted
